≡ **All Hazards Disaster Preparedness SENIOR OFFICIALS WORKSHOP** ≡

Presented By
TEXAS ENGINEERING EXTENSION SERVICE
Instructors from the National Emergency Response and Training Center
(Texas A & M University)

**Thursday, April 12, 2012
8:30 am to 3:00 pm
at Fort Worden Commons, Port Townsend**

This DHS/FEMA-funded workshop is for local-jurisdiction **elected and appointed senior officials, executive personnel of public and private agencies, and other community leaders**, to provide a forum for discussion of strategic and policy issues relating to disaster preparedness.

This is an opportunity to learn about proven strategies and best practices, and **enhance coordination among officials responsible for emergency response** to a disaster.

These are **important risk management topics** for those key officials charged with public safety / disaster preparedness.

To register fax or mail the application to the Department of Emergency Management (instructions are on the form). An application form can also be downloaded from www.jeffcoeoc.org/workshop.

Registration deadline is March 12, 2012

Sponsored by **Jefferson County Emergency Management**.
There is **no cost** to participants.
Go to www.jeffcoeoc.org for more information
or call 360.385.9368.
